This CD has all the number you can stand and then some. We'll make and create numbers from 0 to 1000 with our sticks. There's a song for getting sticks out and cleaning them up we've left nothing out. Have you ever driven around a shape? Well, you will so bring your ID along. Tally marks, vowels, addition, counting by 2s, spelling sight words and sounding out words there's something for everyone. You'll have to become a real detective to master our song Chip It and you can create your own stick songs with our stick song beats.
