Totally enhanced debut disc. 1998 eclectic records 12 MP3 Songs ROCK: Modern Rock, ROCK: Hard Rock Details: Drain The Lobster is Lobster's first release from 1998; an in your face reference point to their sound today. Ahead of it's time because it was totally enhanced with multi media content (ie: mpeg video, jpeg photo gallery, hidden bonus tracks). Make sure you add this record, along with 'Tales', (their new 2004 release), to have the complete Lobster experience . Albums by Lobster: 1) Lobster, Drain the Lobster, -1998/Eclectic 2) Lobster, Tales, -2004/Horn Dog "...a noisy, fun record that puts to shame most of the wuss-pop played on W[IMP]. If Matchbox 20 wants to push you around, Drain the Lobster wants to break into your house, empty your liquor cabinet, and keep the neighbors awake until the cops are called." -Charles Earle / InReview "This disc kicks ass!" - Rock 'n' Read Play Loud. Very, Very Loud.
