**What Others Are Saying About Rebecca** "One cannot help but be impressed with God's work of grace in Rebecca's life--preserving and healing her through many heartbreaks and personal crises. Reflected in her song is a confident sweetness, a creative artist reflecting the beauty of God and His work in her life and through her music. We appreciated Rebecca's variety of musical styles--perfect for an audience mixed in age". Senior Pastor Martin Goode Grace Gospel Church 5855 Valley Way, Niagara Falls, Ontario "We want to thank both Peter Rebecca for coming out on such short notice to our christmas celebration and for making the evening such a blessing for all of us at The Bridge Prison Ministry Transition House. The music was wonderful and we look forward to asking both of you back in the future!" Mary Jackson Bridge Program Director For Prisoners Hamilton, Ontario "It was a very nice time of sharing we had with Rebecca as she sang for us and played the piano very naturally and melodically. She sang a number that reminded us of the importance of the church in the life of the believer - it was our church anniversary at Stanley Avenue Baptist Church and we appreciated her sweet voice and gentle way of relating to us. I would encourage you to hear her CD's as

well; the flute music works its way into one's imagination in a flash. We wish her every blessing of the Lord in seeking to reach out to those who are heartbroken as she ministers the hope she has encountered in Jesus Christ. " Thanks Peter for hanging in there!
