

# Mp3 Robert K Boscarato - More Thoughts And Words

[DOWNLOAD HERE](#)

AUDIO BOOK 6 MP3 Songs in this album (57:46) ! Related styles: KIDS/FAMILY: Educational, SPOKEN WORD: Audiobook Details: I grew up on the Texas Gulf Coast I am a first-time writer producer of the album called more thoughts and words. This album was originally intended to be and still primarily is a spoken word rendering of my book done by professional announcer named Scott Wilcox. He has taken my words and transformed them into a sparkling shiny CD and audio book that I have chosen to release as a spoken word a cappella album, because I felt it was necessary to get my name out in the marketplace as a new young author and I guess song composer based on the chapters I have written and transformed into songs for the purposes of this album.
