[DOWNLOAD HERE](#)

Romantic and pop style music, genre is romantic spanish ballads. Also has a beautiful mix of flamenco, jazz type music. 12 MP3 Songs LATIN: Latin Pop, CLASSICAL: Contemporary Details: ROBERTO VAZQUEZ (Singer/Songwriter of Puerto Rico) BIOGRAPHY ROBERTO VAZQUEZ is a multi-talented Award Winning singer/songwriter that comes to us from the tropical island of Puerto Rico. ROBERTO has established his talents and privileged voice before numerous audiences worldwide including the United States and Latin America. He has participated in prestigious Hispanic festivals such as the OTI Festival of Song as one of the top finalists. He has also had guest appearances on Univision Networks Good Morning America show Despierta America and their #1 variety show Sabado Gigante International. In addition, he has also had the honor of performing next to Legendary Latin Idols such as Jos Jos, Tito Puente, Tito Nieves and Sandro de America among many others. He is also a gifted musician. Roberto plays the guitar, keyboard and percussion. 2001 marked a very special year! Robertos 1st CD was released (in Spanish) titled LATINO SOY , produced by JG Productions This album was awarded by the ACE Organization (Association of Entertainment Critics) as the Best Local Artist of the Year. This was Robertos first music award to his career! In 2002, Robertos 2nd CD Pase Lo Que Pase was produced which was geared more on the romantic genre. This CD included the song DIME which Roberto wrote and is a flamenco pop composition. He had the honor of performing a concert at New Yorks Hard Rock Caf to promote his album. This was a great success for his uplifting career! 2005 marked extraordinary performances on legendary stages such as Merkin Concert Hall and the world re-knowned CARNEGIE HALL in A Dreams Fulfilled Concert. For the year 2006 Roberto will be dedicated to songwriting and in the studio working on his 1st original CD production. This album will have a variety of music (pop, jazz, rock and flamenco) and will include songs in English as well as Spanish. He will be entirely involved in the

production of this CD and has a very talented group of musicians and engineers working with him. M.
