Female-fronted gutsy, trashy hot rod new wave. Punk energy with delicious pop hooks. 9 MP3 Songs
POP: Party Pop, ROCK: Hot Rod Show all album songs: Private Collection Songs Details: Although Simon Stinger (circa 1997-2005) is no longer performing, their music is still going strong on television and film and in the Ipods of many who love fun, sexy, danceable tracks. The duo of Alicia Perrone Victor James went on to become "Fans of Jimmy Century" an exciting alternative dance group heard recently in The L Word, Ugly Betty, and Samantha Who. Fans of Jimmy Century tours extensively. To check them out, please click the link to the side! Pick up their past Simon Stinger CDs while you can! Simon Stinger Bio: Fronted by the remarkable Alicia Perrone, the very first release from this hot rod new wave group in 1997 succeeds in wrapping punk energy to burn and fierce attitude to match in a perfect pop package. Every single one of these songs are injected with fiery hooks that hit hard enough to wake you up, but have the right touches to keep you grooving and dancing. Kimberlye Gold writer for The Herald described them best when she said, "...there's something about Simon Stinger, because rarely have I seen this kind of command displayed in an independent band. They have more magic than most signed bands I can think of." Go beyond the common cookie-cutter rock bands of today's generation...
