

Mp3 Spacefrog - The All-time Earth Classics

[DOWNLOAD HERE](#)

The Spacefrog has brought his favorite earth classics together into one cd here spanning centuries of musical greats over 50 tracks in a compilation of soft-toned keyboard classics. 54 MP3 Songs

KIDS/FAMILY: Kid Friendly, KIDS/FAMILY: General Children's Music Details: from another galaxy he came to earth to spend a little time before his trip back home. little did he realize how much he would come to love the cultures of earth. after several years of listening and learning he felt it was his goal to teach and spread the sound of harmonic tones throughout the universe. in this volume, the spacefrog has decided to catalog his favorite "all-time earth classics" in an effort to document the wide range of the classic history of earth. learning the piano from a classically trained crow named "radario" from an italian village, spacefrog set out on a mission to hone his skills on his favorite keyboard. captured here in pristine earth-digital quality and already transmitted around the universe, this classic is awaiting your listen and your glorious memories shall flow like the fabled aleuran tidal falls. these songs are classics and by reading the track list you can only understand how you will be jamming to this album with yourself or your children - even if they aren't born yet! this should probably be studied scientifically and be administered with a womb-blanket audiophone system to nurture brilliant children from the start. this can actually help with tonal learning and music skills in aspiring young musicians. just take a listen around your baby or young one and listen to them rock and watch them roll! soft-toned childrens music that works you deep in the soul. it will have you looking over your shoulder to make sure no one is watching you mouth the lyrics. you know you want to. let it out and get this limited edition cd (only 600 available to the public!) and get some for baby showers or birthday parties and christmas gifts. works great in nurseries or kindergarten classes. music soothes even the savage child. the music speaks for itself and the spacefrog awaits your personal audience...
