

Mp3 The Big Idea - Folk: Folk Pop

[DOWNLOAD HERE](#)

Upbeat folk/acoustic rock that marries melodic tunes and sumptuous harmonies with keen, poetic lyrics. 11 MP3 Songs FOLK: Folk Pop, ROCK: Folk Rock Details: Beihl and Hedman the Big Idea Fashionably Late The name has changed, but its still the same great music thats come to be expected of Manhattan, KS duo Pam Beihl (lead vocals, guitar) and Bree Heidman (vocals, piano). The Big Idea is their 2nd album, recorded with bassist Keenan Roach and drummer Ben Stamey in 2003. Highlights include Wouldnt Change a Thing, Union Station, Coward, Rock of Virtue and Much Sweeter Grain. Of their 1st CD, 2000s Disregarding Popularity, music critic Chris Meck says: ...gorgeous, spot-on harmonies and excellent musicianship. While some of the more uptempo tunes may have you thinking of the Indigo Girls... Beihl and Hedman display an instrumental prowess matched by few in this genre. Highlights include: Emilie, Last Remnants, Inhibitions, Grace Dignity, and Wrecked. 2005 saw a new name change to Fashionably Late, the addition of manager Philip Sears, and the groundwork for a new CD (recording begins 2006!). Highlights will include: Settle for the Crush, Spectacle, Airport Culture, crowd favorite Lucy, and Waiting for the Grandeur. Please send all correspondence for Fashionably Late to: book.fashionably.late@gmail.com
