

Mp3 The Disciples Of Ursula Big Band - Blow Them Horns

[DOWNLOAD HERE](#)

Impossible to categorize, they play an eclectic mix of originals and covers ranging from traditional swing to ska, with stops along the way for blues, funk, and Latin tunes. 11 MP3 Songs JAZZ: Swing/Big Band, BLUES: Rhythm Blues Details: This Montreal based thirteen piece band features musicians from all sorts of cultural and musical backgrounds. Its repertoire is inspired by various musical styles of the last century - swing, blues, funk, latin music, and gospel - but is always played with the energy of a big band! Since its beginning in 1998, the orchestra has built a passionate relationship with its public. Without the help of promoters and publicity, DUBB has yet to fail in selling out a show because its incredible onstage energy spellbinds any audience. In doing so, they have successfully attracted hundreds of new disciples. Believers of all ages, jazzophiles, rockers, are adding a new four letter word to their vocabulary: DUBB. Join in and be part of the cult...
