

Mp3 Trish Schuchardt - Sounds From The Heart

[DOWNLOAD HERE](#)

A collection of inspiring original orchestrations for piano: Music to relax your mind, heal your spirit, and fill your soul. Songs that reach straight into the heart of the listener. 11 MP3 Songs CLASSICAL: Contemporary, EASY LISTENING: Background Music Details: Trish Schuchardt has specialized in the music industry for more than twenty years. She received her education at Alaska Pacific University, Dallas School of Music, and Simpson School of Music. Trish is an accomplished composer and performer of the flute and piano. Some performances include the Gaylord Texan Resort, Mira Vista Country Club, and Colonial Country Club, in Fort Worth, Texas. Trish lived in Los Angeles, California where she was a composer for television, which included background music for daytime programming and on air promo spots. Trish now resides in Dallas, Texas where she continues to compose music for television and film. Credits include a made for T.V. movie called "Jessie's Diary" and theatre productions such as "On Golden Pond" and "The Glass Menagerie" just to name a few. Due to popular demand, " Sounds From The Heart" was rereleased in November 2004.
