Wayra brings a technique of strong, clean tones to his playing of the traditional pan pipes and flutes of Peru on these popular classic songs. 10 MP3 Songs WORLD: Native American, NEW AGE: Ambient
Details: This new collection is dedicated to my family in Peru, Heidi Roberts and to the many friends I've made throughout my musical journey. Wayra brings a technique of strong, clean tones to his playing of the traditional pan pipes and flutes. This release takes the native instruments into a new arena of music. Wayra and his "Melodies of the Heart" are joined by talented musicians Eric Holt, Rick Gordon, Dave Rowe, John Root, Ollie O'shea , Peg Dolan, and Jerry Brongo. When the chromatic pan pipes and cedar flute blend with the acoustic and classical guitar, piano, synthesizer, violin, mandolin, drums and natural sound effects, a most unusual, original and amazing sound comes forth. This recording could never have been dreamed of without the assistance, support and prayers of many people, who are the listeners over the past years. Thank you for supporting my work and music... People who are interested in Gheorghe Zamfir should consider this download.
