Mac Henry Fuenmayor is an Investment Analyst, Web Entrepreneur and Lawyer with an extensive education in Economics, Finance and Business Administration. Mac strongly encourage the diversification into Mining and Agricultural Companies, Rare Earth Metals and precious metals like gold and silver, not only as protection against the constant fluctuation of the economic world, but as a hedge against government mismanagement and likely collapse of the US Dollar and other currencies. The truth is that in the near future (2013-2016 a total economic collapse might occur due to a sovereign debt crisis. All the signs are there and it only takes some knowledge of history to see that what is going on now is not different from what has happened in the past. It is only a matter of time. Mac Henry Fuenmayor will guide you step by step in the execution of your economic survival plan, giving you information that, up to now, has been available only to a very few privileged ones. When you finish reading this book, you will have a solid and unbreakable base to make the most financially intelligent decisions and to be able to protect your family and capital.
