

Wetlands - Charlotte Roche

[DOWNLOAD HERE](#)

Wetlandsan international sensation with more than a million copies sold worldwidehas been at the center of a heated debate about feminism and sexuality since its publication last spring. Charlotte Roches controversial debut novel is the story of Helen Memel, an outspoken, sexually precocious eighteen-year-old lying in a hospital bed as she recovers from an operation. To distract herself, she ruminates on her past sexual and physical adventures in increasingly uncomfortable detail. The result is a funny, shocking, and fearlessly intimate manifesto on sex, hygiene, and the compulsion to obliterate the covenant that keeps girls clean, quiet, and nice.Author: Roche, Charlotte Publisher: Grove Press Illustration: N Language: ENG Title: Wetlands Pages: 00240 (Encrypted EPUB) On Sale: 2010-02-09 SKU-13/ISBN: 9780802144690 Category: Fiction : Literary Category: Psychology : Human Sexuality
