"Who Else Wants to Laugh At The Duplicate Content Penalty....All The Way To The Bank...?" From: YOUR NAME Re: 100 Unique Content Created by DuplicateByeBye Wordpress Plugin Tuesday, September 06, 2011 Dear Fellow Internet Marketer, Do You have auto-blogs or a blog that you post other peoples content to, but get sick and tired of your content not ranking and costing you money? Well, I was sick and tired of it at one time too... But... I decided to do something about it! You see, I like to automate as much of my income as I possibly can. Therefore, I set up a ton of blogs that pull content automatically to get a ton of visitors which in turn puts a nice chunk of cash in my pockets every month from things like Adsense, CPA, affiliate programs, and adding people to my list. The problem I was running into is that

tons of other people were doing the same thing. The content that was being dripped to my blogs was also being dripped to 100's of other blogs and I started to see a decline in my rankings and traffic because the same content that I was using was on tons of other sites as well. PROBLEM SOLVED
