

It's The End Of The Church As We Know It - Marc Lawson

[DOWNLOAD HERE](#)

Speaking in favor of the power of God and against the traditions of men, author Marc Lawson believes that signs and wonders, miracles and demonstrations of God's power are desperately needed to defeat the onslaught of darkness our culture is accepting and endorsing more and more each day. It's the End of Church as We Know It reflects a growing dissatisfaction with the current state of the church, saying there must be more God has for Christians outside of the box. Lawson is concerned that new believers are not only being catered to with faddish trends, but they are not being invited to experience a supernatural God. Only the power of the Holy Spirit and the manifestation of His gifts, says Lawson, will fulfill God's destiny for His church.
