

Mp3 Alder Ensemble - The Balance Of Nature

[DOWNLOAD HERE](#)

Classically inspired electronic music, mixed with the joyous songs and sounds of crickets, birds, frogs, rain, and wind. For housework, homework, meditation, and relaxation. 12 MP3 Songs CLASSICAL: Art songs, ELECTRONIC: Alternative Dance Details: The Alder Ensemble is an eclectic band of world, classical, electronic and roots folk musicians whom work together to lift the world up with improvised music of the realm of dreams. You will find square roots made of raindrops with Lili Haydns ancient gypsy fiddling in A Rooted Rain Dance. You will also find tribal Native American and African drums in the modern classical composition Going Back to College, featuring Baba Alade and Chris Cullen. The natural songs and sounds of crickets, birds, frogs, wind and rain are all joyfully present to be subtly found within these classical art songs. Antonio Papa Bear Martinez, William Goldstein and Chris Camacho lend their efforts towards poetic phrasing and a unique ending for the composition The Balance of Nature. Now try to find the one in the rhythm of the song Metamorphosis. Patrick Guidry gives several tunes interesting vocal percussion, featured in the songs Funky Happy Healthy Husbands Helping Their Wives and Alder Inspiration. Last but not least, Margaret offers her husband Carl much good advice towards the arrangements of Faith Renewal and Old Growth New Growth. Can you hear the Wrens singing along with the shaking aspen, ponderosa, oaks, and alder trees, dancing in the wind? People who are interested in Kitaro Suzanne Ciani Coyote Oldman should consider this download.
