A powerful soundtrack combining razor-sharp synths with otherworldly atmospheres, dazzling sound effects and thunderous beats. This is the official soundtrack of the legendary sci-fi shooter "Xyanide", launched in the USA on XBox. 13 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Soundscapes Details: Multiple award-winning composer Alex Otterlei specialises in music for computergames, roleplaying games and stand-alone soundtracks. In the ninetees Alex pioneered the art of writing soundtracks for roleplaying games, resulting in popular rpg-soundtracks such as Battlethemes, Arthur and Where Evil Lurks. His Cthulhu-inspired orchestral soundtrack Horror on the Orient Express achieved international acclaim. When first asked to compose the soundtrack for the game "Xyanide", Alex Otterlei started by writing an orchestral score for the opening movie of the game. But it soon became apparent that the unique style and content of the Xyanide Universe asked for an entirely different approach... Pressquotes on "Xyanide OST": " All of these pieces are evocative and distinct, yet manage to blend into a unified score that's dark, rich, and menacing as a fine red wine that carries the scent of blood. " Aaron Drewniak, got-next.com, USA " This is a fantastic soundtrack. It sounds futuristic enough that it could be used in a movie like The Matrix, but it's not as mindlessly dull as a lot of music in the same vein tends to be. " Heather Simpson, Sci fi online, UK People who are interested in Klute Speedy J should consider this download.
