11 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: Beebo's music is fun for kids (and adults) of all ages. Beebo has been writing and performing original, catchy songs for children and their families for the past 17 years. Inspired by his own 2 active children and watching their silly energetic antics throughout the years, provided Beebo with many deep, thought provoking song ideas (just kidding), lets rephrase that. Provided Beebo with many deeply funny and silly song ideas about all the things kids love. For example: Brussel sprouts and liver, oh yeah! (just kidding again). Songs about jumping up and down, fluffy cats and bunnies, brownies, tuna fish and peanut-butter sandwiches, bicycles, roller skates, and story songs about a moose up a tree, or a kite flying hippo. Kids can inspire some really cool and far out stuff. Give Beebo Music a try and hear for yourself. Beebo has 8 CD's available and is currently working on number 9 for release in 2006.
