Details: This EP CD is In the vein of Luther Vandross Gerald Levert Stevie Wonder Marvin Gaye Tower of Power Teddy Pendergrass We are trying to find a balance between different styles of music the in the way great artists like Stevie Wonder, Luther Vandross, Tower of Power and Ray Charles did. This is our attempt to continue that classic R&B sound capturing the essence of Marvin Gaye, Stevie Wonder, and the likes of Donny Hathaway. This is our blend of R&B; Funk, Pop, and Jazz woven smoothly together for a smooth, groovy and sensual sound. The romantic love song Valentine Lady could be an R&B/Pop Crossover. In fact, we feel like this is Music you can appreciate. This EP CD speaks to everyone. Blue Mist was originally formed by lead vocalist Robert Kelley in 1978 while attending the University of Texas in Austin TX and has been entertaining audiences ranging in age from 20 to 50 with a variety of rhythm blues, jazz, soul, and popular music ever since. The band has been regulars at Austin's, as well as central Texas', most popular nightclubs; entertained for a variety of private parties and weddings; played public functions for groups such as: Austin's Aquafest, South by Southwest music festival, The University of Texas, Performed for the grand opening of Austin Bergstrom International Airport, the grand opening of the new City Hall, the grand opening of the Hyatt Lost Pines and resort in Bastrop TX and Houston Tillotson College; played collectively and individually for various jazz festivals in the United States and Canada; performed live on Austin Music Network's 100 Band Marathon, as well as AMN's show "What's the Cover"; performed on Fox 7's Good Day Austin Morning show, K.U.T. "Live Set";

live video recorded by Waco C.B.S. affiliate Channel 10; frequently appeared for interviews and performances on several other Austin radio shows.
