[DOWNLOAD HERE](#)

Bob's first CD. The one that started it all. 10 MP3 Songs SPOKEN WORD: Comedy, ROCK: 90's Rock  
Details: Bob Ricci is a musical artist, with a knack for comedy, who has been performing parodies and writing creatively original music since his early teens. Bob has built a diverse and powerful fan base over the years through his exciting and funny live performances as well as his "ingenious and hilarious" lyrical compositions; all the while focusing on a dedication to the integrity of the artists' and his own music. "Great Stuff! It's well played and well recorded. What more could you ask for? Some of the tracks sound like something AI would have recorded!" Jon Bermuda Schwartz (Drummer for "Weird Al" Yankovic since 1981)
