Swing 21 MP3 Songs EASY LISTENING: Ballroom, EASY LISTENING: Musicals/Broadway Details: Whatever you watch on TV in the way of strict tempo dancing this is the CD for you. Do you prefer Strictly Dance Fever, Strict Tempo, Come Dancing, Its Strictly Dancing or Strictly Come Dancing? No matter. You need this CD to improve your chances of improving your own performance for your next big night out (or in if you have your own dance floor) We cant guarantee that you will make it onto TV but look below just who is:- STOP PRESS Sara Evans Is A Survivor, Again Sara Evans and her partner Tony Dovolani survive, and make it to compete in next week's "Dancing With The Stars." on ABC-TV. As a matter of fact, Sara and Tony were in the Top 3 this week, on the "Results Show" on Wednesday night. On Tuesday night, the couple decked out in Western attire, danced the "jive" to the music of "These Boots Were Made For Walkin'." The judges had great things to say to the competitors. I loved it, said Carrie Ann Inaba. Len Goodman said I liked your whole approach to this dance. Bruno Tonioli said The new and improved Sara, glowing and radiant. Sara and Tony received a score of 25 out of 30 points. That's UP from 15 points in the first week, and 21 points last week. Harry Hamlin and his partner Ashly DelGrosso were the ones booted off this week. Brian is a multi-talented British musician who recently took early retirement from a long career in teaching to fulfil a lifelong ambition to record and release his own productions BUT do it as a fulltime career. Wearing another hat many people around the UK will have seen him perform solo or as part of his jazz combo. His fame is spreading beyond Cumbria and not just because of CDBaby although he does acknowledge the great help that Derek and the guys gals from CDBaby have given him with his first release. Thanks y'all. In the UK Ballroom Dancing and Strict tempo Dances are popular again thanks to certain TV programmes. We understand from contacts that this same dance craze is sweeping the USA as well and this CD is a valuable contribution to anyone wanting music to accompany their steps.

Buy one today and improve your performance -have a listen to the clips Brian has performed regularly in Germany as well and also written a musical which played at the Edinburgh Festival and will soon be here on CDBaby - not to forget the years of gigs, weddings and other concerts and recordings so he is ideally placed to help local budding sequence dancers with this Simply Sequence for strictly sequence and strictly ballroom fans
