

Mp3 Brother T & The Souljourners - For He Who Has Ears

[DOWNLOAD HERE](#)

Almost 70's style straight forward rock and roll, with each song sounding different than the last. But will take you on a journey like that of a real vinyl, to be transended from then to now and on into eternity. Heard as song for song, or as a whole albu 11 MP3 Songs ROCK: 70's Rock, COUNTRY: Country Rock
Details: Brother T. hails out of Clio Michigan, with mission to make lyrics that may change your life, or at the very least better your day. Hand picked, the souljourners have caught the vision and seen the big picture of the journey. Also riding on the top of the local game, the Souljourners with there total versatile styles and undeniable talent have earned them one of the very coolest albums seen in a very long, long, time in the flint area. (A friend Loveth at all times, but a Brother is born for adversity.) That's what holds true for the beloved front man, who with his haunting, (root) coaxing vocals, truth in love of lyrics, and passion for the sound of the inner chord in all of us, loves to bring all people and genres into unity. While the Souljourners make disciples of themselves in the fact that they want nothing more than to hit that common chord of brother and sisterhood to get ready for the, (what they call the party of all was, is, and is to be). And to ride the scene with those who not just listen, but have ears to hear what the train from station C.L.10 is blowin with the destination of legendary proportion.
