Chaya is based in Sacramento, CA, but her music ministry has taken her to Redding, Fortuna, Sacramento, San Jose, and the Bay Area singing in venues that exceed 2500 people in attendance. Chaya has performed 28 concerts, where she has sung anywhere from 1 to 6 songs at any given church or event for their special music. She also had the opportunity to lead worship and perform at the Christian Missionary Alliance General Council 2004, sharing the stage with Fernando Ortega, where 2500+ pastors and church leaders were in attendance. She has performed now in front of a total of 15,000+ people. In this time, Chaya has attracted 600+ mailing list/314 e-mail list fans, plus many more. . . We are excited to inform you that since our May 2004 release we have moved 1300+ units along with many units of merchandise including hats and t-shirts! This includes bookstore sales, online sales, CD release parties, Churches, and others misc. venues. We are currently distributed in 48 retail outlets (including physical and online stores), and continuing to acquire new retail distribution. Just three weeks after this release, Chaya attracted an industry professional consultant, Philip von Wrede. Philip is the owner/founder of Betty Rocket Music Group, and

has had yrs. of experience with major record labels, CD sales, consulting, producing, artist development, and is currently moving into film/TV/music dealings in LA, CA. Chaya was also a spotlight artist, and is still being played, on indiegospelmusiconly two weeks after the release. Chaya has also been recruited to attend "THE CONNECTION" in Nashville, TN. She was chosen out of 4000+ applicants to be a spotlight artist. We are excited to travel to Nashville May 28th, 2005. There has been a great response to Chaya's music ministry. We've heard of people who have even received Christ as their personal savior as a result of her ministry. Here is what one pastor had to say, "Chaya was great. Our congregation here at RCF loved her. I truly appreciated her sensitivity to her audience, although she had them eating out of her hand and she could have done whatever she pleased and they would have gone right along with her." --Jerry Mapes, Redding Christian Fellowship Chaya's music career began in elementary school, when she started singing specials at school, churches, weddings, and funerals. She wrote her first song when she was thirteen. At seventeen, Chaya became a worship leader at Redwood Christian Fellowship Church in Fortuna and her music career blossomed. At 14, she wrote, "I Have a Promise", written for a family friend that had passed away, and she sang it at their funeral. This started the 'buzz' about her unique talent to capture peoples' hearts and bring them healing through her music. We are continuing to book Chaya for new events, acquire more distribution, and attract more radio play. We have just released our NEW RELEASE CD, titled 'LIFE'. Chaya was in concert with Shane Shane for her CD release concert. We know that REACH and the new release will speak to people of ALL ages, and will especially reach the young adult crowd. Yet, this is not where it ends; we are planning other CD releases after this, so stay tuned. . . We are happy that Chaya's music ministry has blossomed and is continuing to grow, and we hope that you will be a part of this success story. Will you please take a moment to listen to the enclosed CD.?
