Photos David Cannon (In 1618, Champlain proposed to replace the name Quebec by Ludovica or Louisville. By this gesture, he wanted to honour Louis XIII, who was then king of France) LUDOVICA: a second album for canadian musician, composer and producer Franois Couture. With the collaboration of Andre Bouchard accordion, ric Dostie voice, Jean-Franois Gagn violin and viola, Franois Guilbault double bass, Hlne Guilmette soprano, Louis Larouche trumpet, Jacques Lavalle violin and viola, Sylvain Neault violin and viola, Dominic Painchaud cello, Patrice Painchaud hand saw and violin, Annabelle Parent voice, Catherine Simard violin and La matrise des petits chanteurs de Quebec chorus. Photographs David Cannon To underline in his own way the 400th anniversary of Quebec City, Franois Couture offers a photo and audio album in twelve scenes. Electronic, acoustic, vocal and traditional sounds are intertwined to redefine an environment both modern and based in its roots. With LUDOVICA, as with the preceding album QALLUNAK, Franois continues to explore different form of interbreeding between electronic and traditional music.
