Not only does he have great chops--both vocally and instrumentally, he is handsome, charming, funny, smart and perfectly engaging. I'd like to see him more around town and New England. All this artist needs now is more performance time." -- Cabaret Hotline Online JOHN ABERNATHY received a 2005 nomination for Best Male Cabaret Performer from the Independent Reviewers of New England (IRNE) for his show "A Cock-Eyed Optimist" at Club Caf in Boston.
