Fuse down home southern style Rock-n-Roll, classic blues, a pinch of funk, with a whole lotta jam and you get King Bee. 10 MP3 Songs ROCK: Roots Rock, BLUES: Rockin' Blues Details: Hard knockin', feet stompn', rollin' rockin'. This is King Bee. King Bee brings it dirty and gritty with a whole lotta soul. Hard knockin', feet stompn', rollin and a rockin "Live and it ain't no jive." Fuse down home southern style Rock-n-Roll, classic blues, a pinch of funk, with a whole lotta jam and you get King Bee. This is South Florida's newest edition to the Dirty South Music scene. There's no gimmick to this hard working streetwise band. With the release of their debut album, "Only on Good Days", King Bee has generated a local buzz in South Florida. What's more, their intense live performances earned them opening spots for Leon Russell, Deep Banana Blackout, Karl Denson's Tiny Universe, Fishbone, and The Ska-talites. The album holds ten solid tracks compared by many fans to The Black Crowes and The Allman Brothers Band. However, make no mistake about it, King Bee has a style all their own. King Bee comes together as one very solid core, making surprises the only regular thing you'll see at one of their shows. Whether it's jamming with a full brass section, organ players or multiple guitarists, King Bee stays true to the jam while keeping the structure of their album material in tact.
