Luminous Dream is an original Melodic Rock Band with progressive influences featuring mostly Female vocals and some male lead vocals and harmonies. The music ranges from moody soft acoustical themes to hard driving progressive rock. The CD "Glow From A Peridot" with its "Rush" like drum patterns on Shoreline to its hypnotic guitars, driving keyboards and haunting vocals on "Last Song in August" takes you through a musical journey for those wanting a type music on personal level of real life situations that they can relate to. There is a Pink Floyd like vibe in the song "Eyes on the Prize" draped with intelligent meaningful lyrics that provoke deep thoughts about the wages of lust and a lake of fire. The beautiful ballads "Your Painted Sky" and title track "Glow from A Peridot" reflects impressive vocals and melodies in the unique style of ASCAP songwriter "Roni Shea". The Bands 2nd CD is mellow and relaxing but still has a rock edge with plenty of its expressive guitars solos which display an array of moods ranging from acoustic to heavy sounds along with intricate rhythms and harmonies. A musician's choice to appreciate! Enjoy this CD and look for the 1st CD "Next Autumn" and the newest CD "Soul Images" on CD Babysoon! ***For Led Zeppelin fans, you can hear Roni Shea replicating the Sandy Denny part on "The Battle of Evermore " A Tribute to Led Zeppelin - on the LED ZEPAGAIN CD - available on CD BABY!
