An African Native Creative poetic thinking and finishing 13 MP3 Songs NEW AGE: Healing, NEW AGE: Meditation Details: It is and still was my dream to compete with myself. To See, Hear, Feel and to Translate my Understanding of life into a poetic fluting called Ofnos. Ofnos is native, and an advance forms of improvisations. The element in ofnos music are real, original, others as it happen, with nature. Some of the musical tools are personally hand crafted to prove my traditional feeling. The spirits transforms to my spirits as it does in my poem and painting. The clouds came prepared after the splashing sun, Colored the riverbank. The tides rose, to my corner place, reflecting waves of glowing Imageries, sparkling bright and rising rays of the sun light, smelling into soft ovens of pleasure. Yet, knowing pleasure and displeasure, cannot be exchanged or replaced, with pigment of colors and perfusions, this red sun rose to my secret place. Here, I seek to See, Hear, Feel and to Translate my understanding of life to you. And I hope you will find the pleasure to reach your creative sunset through my music. Mayi D. Ojisua
