If you like the definitive 90's Pop Rock sound, this is the CD for you. Peter Betan's songwriting abilities are brilliantly displayed in "Out of Love" 10 MP3 Songs POP: 90's Pop, ROCK: 90's Rock Details: PETER BETAN - "OUT OF LOVE" - PRODUCED BY PETER BETAN "Peter Betan seems to know no real musical limitations"- Jam Entertainment Magazine "....chock full of different musical endeavors" - Jam Entertainment Magazine "Out of Love" promises to bolster Peter Betan's songwriting credentials" - Miami New Times "Peter Betan has again, crafted a masterful recording in "Out of Love" - Greg Baker - Miami New Times "He skates quite easily in and around different musical genres" - Jam Entertainment Magazine "....some exquisite vocal moments throughout the recording" - Jam Entertainment Magazine "His songwriting is flexible, crossing effortlessly from genre to genre, and he possesses the vocal and guitar wizardry to deliver these gems polished and mounted" - Greg Baker - New Times Miami Frequently compared to Dave Mathews (even though Peter Betan released his first independantly released recording a good 6 years before Mathews was even heard of) Betan's songwriting abilities are brilliantly displayed on this, his third creative studio effort originally released in 1993 titled: "Out of Love" Definitive of the early 90's Pop genre, Peter Betan weaves gracefully in and out of many different musical styles. Pay particular attention to the country tinged "Welcome to the Storm" or the very melodic "Come and Go" and, the catchy Jazzy Pop tune opener titled: "Waterfall" Rivaling songwriters like Billy Joel, Robert Palmer, Phil Collins and Elton John, Peter Betan displays his love and passion for songwriting to the max, by writing songs with wit and melodic brilliance. Under the umbrella of Pop Music, he writes within the styles of Rock, Funk, Jazz, Country and Folk music. With the enhancement of the very talented musicians that make up the 6 piece "Betan Band", as well as the addition of special guest artists, "Out of Love" is a musical ride worth taking. Newly Remastered and with two never released live performance Bonus
