

Mp3 Rebel Syndicate - Welcome To The South

[DOWNLOAD HERE](#)

One part Skynyrd, one part Pink Floyd and a touch of the darker side of Johnny Cash, its a stunning original and a perfect end to a great album from Jackson Counties original white trash band. 11 MP3 Songs in this album (37:35) ! Related styles: COUNTRY: Country Rock, ROCK: Southern Rock People who are interested in Lynyrd Skynyrd Eagles Charlie Daniels should consider this download. Details: My latest review is on Welcome to the South, the sophomore effort from Rebel Syndicate. While their first disk, The Family Album, was a wild and unkempt throwback to southern rocks golden age, the new cd really highlights what makes them such a great live band. Not only do their songwriting and musicianship shine, but their rich southern harmonies are really brought to the forefront. Of course, it helps when your producer, Ricky Lee Phelps, is a Grammy winner, and CMA Producer of the Year. Ricky Lee, known to most folks as the lead singer for Kentucky Headhunters, also adds his distinctive vocals to Beer Dont Bitch, a rowdy honky-tonk ode to mans best friend (beer). The record kicks off with the title track Welcome to the South, a southern rock anthem that leaves no doubt where these boys roots lay. With southern fried slide guitar and a rebel pride theme, its sure to be blaring from many a truck window for years to come. Slow Walkin, along with the fore mentioned Beer Dont Bitch, is a pure honky-tonker. Referring to a southern funeral, slow walkin, sad singin, fried chicken eatin, its a fun country rocker about getting in over your head. However, dont think for a minute Rebel Syndicate are one trick ponies. As with their live show, they slide easily between, so called, genres. From the new country sound of Anything but Me and Saving Grace and the Eagles like tone of This Town, to the lush heartbreaker Drive On, and they sound authentic in all of them. Its a diverse collection of songs, including southern gospel inspired sound of All But Gone and the delightfully quirky Settle Down. The albums highlight, however, may be its darkest song. Bang Bang, the final track, is a brooding and unrepentant snapshot of the self proclaimed only

guilty man in prison, whose sole regret is that he didnt finish the killing he started. One part Skynyrd, one part Pink Floyd and a touch of the darker side of Johnny Cash, its a stunning original and a perfect end to a great album from Jackson Counties original white trash band. Enjoy!
