Hip-hop with a hardcore dub flavor. Ded Res flows fast, Uzi flows slow, but any way you look at it, the flow is tight on each beat - featuring melodic key solos and ornaments from the MPC, the driving rhythm section supports this incredible new hip-hop. 14 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Alternative Hip Hop Details: Sometime in 2001, Ded Res had an idea that became Rhythm Vision. There have been many members and pitstops along the way, but Rhythm Vision lives on and remains strong to this day. "Momentum" is the physical result of the gathering speed and power of Rhythm Vision as plans of world domination progress. Ded Res' intensely personal lyrical and melodic styles, his all-original writing, Uzi the Brer Rabbit's social commentaries, and the seemingly endless energy of the entire group combine for an unforgettable, danceable experience. "Light Wing," Rhythm Vision's first song to earn radio play in Colorado, showcases Ded Res' soaring vocals while "Less I See" focuses more on the Brer Rabbit's unmistakably deep voice and amazing command of rhyme, and special guest P.A.A.S.'s incredible flow. "Roll By Force" represents old school Rhythm Vision and features Mann of the Hour, the astoundingly strong MC who can defeat any other who dares approach. And let's not forget "How's Your Vision", the song that Mann of the Hour and Ded Res used to get the Rhythm Vision machine up and running. "Cool Rebellion" demonstrates the always-continuing development as Colorado vocalist Liz Clark harmonizes with Ded Res and combines melodic nuance with beats that move your body and rock your world. Rhythm Vision's debut album, "Momentum," takes listeners on a rhythmic journey that's at once thought-provoking and so energetic that you just can't help but believe in the power of the Vision.
