Related styles: ELECTRONIC: Ambient, EASY LISTENING: Lounge People who are interested in Jean Michel Jarre Klaus Schulze Caf Del Mar should consider this download. Details: The German Electronics artist Robert Schroeder (discovered 1978 by EM pioneer Klaus Schulze) has produced numerous excellent solo CDs as well as his success album Double Fantasy / Universal Ave., which reached the US Charts in the end of the 80s. The music of Robert Schroeder is various, but always soulful. He combines spherical synthesizer sounds with modern rhythm-mical contrasts, often supplemented by spacey guitars and sometimes also by piano, cello or voices. Schroeder's music spectrum includes Electronic, Ambient, Chill-Out, Lounge, Adventure and Trip-Hop. Electronic Music in the widest sense is the musical style of this artist who has his roots in the music of Klaus Schulze, Can and Pink Floyd. This 12th solo album EVERDREAMS is the studio produced version of the successful live concert in Nijmegen, NL 08.10.1994. This product connects style directions like Ambient, Electronic Music, SphereTrance and Soft Rock. The title Smoothing Shadows was accompanied by ex-Warlock guitar player Christian GUTH with E guitar. Everdreams is instrumental Synthesizer music, timeless evergreens of Electronic Music. This album starts with Big Ocean, which symbolizes the liberty of the sea. The view over the ocean makes you thoughtful, lets you dream and takes you into the distance. As much as the pulsing tracks on this 12th solo production from the German sound artist Robert Schroeder meditative and spherical excursions invite you to a brain voyage. Soulful, spherical synthesizer sounds with rhythmical contrasts, timeless and relaxing music for a journey into the deep spaces of EM. This CD is produced in high sound quality standard and includes a

wide spectrum of Electronic Music, from meditation up to exciting rhythms. Music as you like it. Enjoy it.
