

Mp3 Sandy Ayala And Natalie Duque - Sing On

[DOWNLOAD HERE](#)

Bright, catchy children's music. Sandy Ayala throws a great musical party of sounds, animals, shapes, fun and more. Natalie has a voice children love. Every song is a hit. Teachers and parents can't stop buying THIS one. 15 MP3 Songs KIDS/FAMILY: General Children's Music, FOLK: Folk Pop Details: Sing On is a great collection of original children's songs that make kids sing, dance and laugh. Sandy Ayala is a seasoned teacher, musician and camp director who knows how to weave a musical good time. Rising star Natalie Duque is a high school student from the HS of Music and Arts in NYC. She is an inspiration to young vocalists and her voice is perfect for kids to blend with. There are many young kids who sing on this cd. They are nieces, nephews and friends who prove that singing fun songs is for everyone and every voice. There are jokes and conversations for kids and adults. Every song is written in a musical style all its own. There is big band, rock and roll, african drums, calypso, country, ballads etc... something for everyone. You will listen again and again. Teachers and parents are buying this album like crazy. This will be an International kid best seller.
