Details: Singer Tim Crane, A.K.A. T Bird, took just one year to assemble the band in Austin, where hed heard the groove of real music issuing forth on Sixth Street. He brought together lead, rhythm and bass guitars; trombone and tenor and baritone saxophones; percussion; and a trio of backup singers eleven members in all, a canvas for his chunky, soulful originals. In the year since, T Bird and the Breaks has taken the Austin music scene by storm: headlining at five of the citys best-known venues including The Continental Club, placing second in the Best New Band category at the 2008 Austin Music Awards, and becoming the second-highest vote-getter and a finalist in the 2008 Austin City Limits The Sound and the Jury competition. In January 2009, the band will release LEARN ABOUT IT, which includes the Temptations-inspired Two-Tone Cadillac, the 100-proof Blackberry Brandy, the free-flowing Juice and the hot, sexy Esmerelda. In March, the band will showcase at the South By Southwest Music Festival. [tbirdandthebreaks.com](http://tbirdandthebreaks.com)
