The song, "Michael's World" is the my sincere reaction toward the public's criticism of a celebrity I have enjoyed being 'on the road' with. Michael Jackson is a very humble, loving person...I met him as we entered The Nanuet Circle Theatre, in Nanuet, New Jersey prior to a concert we were scheduled to perform . His brother, Tito introduced me. He said "This is Thaddeus". Michael responded with a smile, and enthusiastically shook my hand as he said "I'm Michael...Its a pleasure to meet you!" I laughed and said, "I'm glad you introduced yourself because I was worried that I might forget the name of 'the most popular person on the planet!" He got a kick out of that. He's just too nice a person for so many people to get their kicks out of criticizing him...The cruelty of the public and the media is the reason why this great artist has gone into

semi-seclusion, thus depriving the world of more exposure to his immense talent...which is the result of his hard work and devotion to his fans...This is why I wrote the song "Michael's World". When I first went to Hollywood in pursuit of my dreams, I had the misconception as many people do, that successful recording artists were 'special'...I was wrong! They were just like we were...They were average people who did 'special things'. For example, most people won't spend an entire day doing something that could easily be completed in an hour...Maybe you wouldn't, but Hollywood people would! You see,...its not done right until you do it all night! I used to wonder, "What are they doing, taking so long to record a three minute song?"...Well,...they were making it perfect...that's what they were doing! Mary Fernandez, Sue Emmel, Norann Setina, Yvonne Clark, Alicia Barnes, Delia Soiffer, Christa Bretz...Thank You for having so much Faith in me...You are amongst my greatest fans...I appreciate you very much!
