A method, an energy, a mode of transportation. Modern rock with fun, fashion and fury. 6 MP3 Songs ELECTRONIC: Dance, ROCK: Mod Show all album songs: The Framework Reworked Songs Details: The Framework arent afraid to say it - its all been done before. So taking pieces of music and culture lodged in their brains from various places and points in time, they have created a sound that is all their own, with nods to other artists nodding to other artists and always nodding to the beat. The framework is a method, an energy, a mode of transportation. Featuring two distinct yet similar vocalists and a collective of like-minded musicians, what more could a post-modern listening audience ask for rock, served up just a little too cool for the old school. This new album sees the band working with top DJs and remixers from around the globe, reproducing new and exciting version of their original self-titled release.
