Chinese ink painting is an offshoot of calligraphy and is a beautiful and reflective art that's been revered in China for centuries. A wonderfully creative tool, this book is an excellent way for newcomers to experience this ancient art form. Traditional black-and-white Chinese ink painting elements, along with the tradition's essentials such as the quality and variety of the tools and accessories used in its practice are all covered. The Art of Chinese Brush Painting encourages readers to be mindful of the principles of composition and perspective, and introduces specific techniques for several different elements, including Chinese Zodiac animals and landscapes.
