An EMT, she has avoided rodeo duty like the plague. Now her career depends on her ability to face down her fear. Cody Shaw hasnt seen Sam since the night of her fathers accident, and their reunion is anything but typical. So is her reaction when a bull ride gone wrong lands him, broke and bleeding, in her reluctant care. And, until hes well enough to travel, in her bed. He knows hes far from a model patient, but would it kill Sam not to act like shed rather climb on a bull herself than have him underfoot? One thing hasnt changedtheir off-the-charts sexual tension. They both put up a good fight, but soon the heat burns through their resistance. Even as Sam fights to protect her heart from the one danger she didnt see coming, something else becomes clear.
