Dear Marketing Friend, Did you know that there are certain things you should and should not do when it comes to promoting your Internet marketing business on Twitter? As an Internet business owner you know that to effectively market your products or services online, you must be able to penetrate your target market, but did that you can use Twitter to achieve that goal faster than ever before? Making new friends is quite easy on social networks like Twitter. But not as easy when it comes to converting those new friends in to paying customers. To effectively use Twitter as a part of your marketing plan there are certain rules that you must follow to ensure that your followers can eventually be converted in to lifelong customers. The simple fact is most online marketers don't understand or take the time to learn how to properly use twitter the right way to promote their websites. Did you know that there are several common mistakes that most (even experienced) Twitter users make that can actually hurt your business more than help it? Welcome to the "Twitter For IM Professionals" Crash Course. It was created to introduce you to the wonderful world of Twitter and to teach you how to harness it's massive power for your business and for your customers! You can use this course to build awareness and to help your readers learn how to

take advantage of everything that Twitter has to offer any Internet marketer! This course is specifically designed with beginners in mind, so even if you or your reader has never used Twitter to communicate with their prospects before, you'll both learn how to get the most out of your Twitter marketing campaign! This Course Comes with Private Label Rights The best part is with the private label rights to this course not only will you be able to learn how to quickly use twitter to your advantage, you will be able to pass that knowledge on to your subscribers. You'll will be providing them with quality information that will help them learn how to understand and how to master the Twitter world and use it to their advantage. The course is completely customizable. You will be able to add in your own contact information, product and service recommendations and links to your favorite affiliate programs. I'm even including a ready to go to squeeze page confirmation page and sales page, so that you can get set up quickly and easily! Click here to see a copy of the squeeze page In this course you'll be able to provide your subscribers with great information that they can actually use! You will teach them... How to build a large network of friends, clients, associates, and customers with Twitter. You'll introduce them to a variety of tools that they can use to make their Twitter page more interactive and successful, plus how to quickly hunt down even more fantastic free tools fast. Simple techniques that they can use to increase their chances of converting their regular twitter followers in to lifelong, paying customers. Effective ways that they can maximize the huge amount of traffic that flows through Twitter and drive it straight to their own websites and affiliate programs. You'll also teach them some of the common mistakes that most Twitter users make when they are using it to promote their business, so they can avoid making them and hurting their chance of success!
