Alexa RankBooster is GUARANTEED to increase your Website ranking by atleast 50. Send well over 10,000 hits to your site per hour with this incredible program. Watch your Alexa ranking increase like you want it to. The LOWER your rating on Alexa the higher your ranking is. Alexais owned by the Amazon group and it aims to rank every website on the Internet in terms of how much traffic it is receiving. In simpler terms, the lower your Alexa rating, the more traffic your website gets. The

ideal scenario would be to have an Alexa rating of '1'. This would mean that your website receives more traffic than any other site in the entire world. It is generally considered that a website with an Alexa rating of 100,000 or less is receiving a reasonable level of traffic. Search engines This software has been designed to simulate real online visitors and also simulating referrals to your site at the same time make the simulated visitor look that much more real. Google rankings , other engines Your Alexa ranking is very important, because it also effects how you are listed on the major search engines like google and yahoo. If you have a good alexa ranking, you will get good listing in other search engine too. Note this - High traffic rankings will always get you higher rankings in the search engines. Traffic exchange If you run a website traffic service or traffic exchange and cannot deliver the traffic you had promised or you have already charged your clients for the same then our software can deliver the traffic you had promised.
