Partnership in Blood Volume One Can a desperate wizard and a bitter, disillusioned vampire find a way to build the partnership that could save their world? In a world rocked by magical war, vampires are seen by many as less than human, as the stereotypical creatures of the night who prey on others. But as the war intensifies, the wizards know they need an advantage to turn the tide in their favor: the strength and edge the vampires can give them in the battle against the dark wizards who seek to destroy life as they know it. In a dangerous move and show of good will, the wizards ask the leader of the vampires to meet with them, so that they might plead their cause. One desperate man, Alain Magnier, and one bitter, disillusioned vampire, Orlando St. Clair, meet in Paris, and the fate of the world hangs in the balance of their decision: Will the vampires join the cause and form a partnership with the wizards to win the war?
