

Globalizing Democracy And Human Rights

[DOWNLOAD HERE](#)

In this book Carol Gould addresses the fundamental issue of democratizing globalization. In her new book Carol Gould addresses the fundamental issue of democratizing globalization, that is to say of finding ways to open transnational institutions and communities to democratic participation by those widely affected by their decisions. The book develops a framework for expanding participation in crossborder decisions, arguing for a broader understanding of human rights and introducing a new role for the ideas of care and solidarity at a distance. Reinterpreting the idea of universality to accommodate a multiplicity of cultural perspectives, the author takes up a number of applied issues, including the persistence of racism, cultural rights, women's human rights, the democratic management of firms, the use of the Internet to enhance political participation, and the importance of empathy and genuine democracy in understanding terrorism and responding to it. Accessibly written with a minimum of technical jargon this is a major new contribution to political philosophy. EAN/ISBN : 9780511208218 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Gould, Carol C.
