Get the BIG PICTURE of Histology and zero-in on what you really need to know to ace the course and board exams! 400 FULL-COLOR ILLUSTRATIONS Medical Histology: The Big Picture is a different kind of study tool. With an emphasis on what you need to know versus what's nice to know, and featuring more than 400 full-color illustrations and micrographs, it offers a focused, streamlined overview of human histology. You'll find a succinct, user-friendly presentation designed to make even the most complex concepts understandable in a short amount of time. With just the right balance of information to give you the edge at exam time, this unique combination text and atlas features: An efficient, study-enhancing design consisting of text on the left-hand page and related illustrations on the right-hand page allowing you to grasp individual principles, one concept at a time. The inclusion of detail, often clinical in nature, that clarifies the link between the structural and functional applications of histology. Review questions and answers at the end of each chapter. A complete final exam at the end of the book. Icons that indicate high-yield, clinically relevant concepts. Key Structures highlighted when they first appear to indicate their importance. More than 400 full-color illustrations and micrographs depicting essential histology. Concise, easy-to-remember bulleted text.
