Its easy to be deceived and to become hostage to lies, especially those we tell ourselves: I am a loser Nobody loves me I dont have time to read the Bible Im not good enough I would be happier married to someone else My family would be better off if I were dead Without an education, Ill always be behind The list goes on. Sharon Jaynes, popular author, speaker, and Bible teacher, says that just as Jesus countered Satans lies with truth from Gods Word, so women today must use the Scriptures to counter those falsehoods that all too easily creep into their thinking. In this book, Sharon looks at the common lies women tell themselves and shows them how they can replace those lies with Truth. Im Not Good Enoughand Other Lies Women Tell Themselves is a handy reference tool that will help women renew their minds and think Gods thoughts rather than be swayed by the enemys deceptions.
