

Jesus Today - Sarah Young

Beloved missionary, Sarah Young, shares another deeply spiritual devotional to help readers grow in grace, hear from God, and walk with Jesus Today™. Her first book, the acclaimed bestseller, Jesus Calling®, was born after years of writing in her prayer journal and feeling led to write down what she believed God was telling her. Gradually, her prayer journal turned from a monologue to a dialogue. Knowing that her writings were not inspired as Scripture is, this process still helped her grow closer in her walk with God. In Jesus Today™, readers will be renewed with a deeper sense of hope as Sarah shares this about her spiritual journey in writing the book: "When I began writing Jesus Today, I was deeply discouraged by the failure of many months of intensive medical treatment to improve my health. However, the longer I worked on the book-focusing on finding hope in Jesus-the more hopeful and encouraged I became."
