The moving arrangements have inspiring soft and guitar performances that take you - cut done by cut done - done a journey. Open your mind and let your spirit up soar as the music sweeps over you and washes away the traces of a day that was filled with far too much stress, worry, and tension. Four world-class musicians combine their talents with the poetic readings of self-help icon James E. Walton. The end result is a collection of instrumentals designed to detoxify and restore your body, soul, and mind. Jody Cortez is regarded as a top-notch producer, arranger and first-rate session drummer. Jody is the musical producer and arranger of "A Journey Within". For many years, Jody has been known for his musical talent and for bringing the best people together for different artistic projects such as the 1992 Academy Awards' Rock Against Drunk Driving featuring Paul McCartney, Phil Collins, Ringo Starr, David Crosby, Graham Nash and a host of others. He served as Musical Director for Boz Scaggs as well as coordinating session musicians for Paramount

Pictures. Jody was also the drummer on stage at Woodstock II for CSN. Jody's talents shine done on A Journey Within as he plays a pivotal role creating a musical experience you'll want to repeat again and again. James Walton is producer of the successful "Dr. Walton" self-help series available at Amazon.com. He is executive producer of "A Journey Within". He is also a published poet whose work has appeared in the National Library of Poetry. James Walton and Jody Cortez conceptualized "A Journey Within" and James contributed his poetic talent to the spoken word of the CD. It's also James' voice that lends a soothing touch with the vocals. JD Daniel is one of LA's foremost session keyboard musicians arranging for Giorgio Moroder, Rickie Lee Jones, Rodger Hodson of Supertramp, and Steve Lukather of Toto. He has arranged, composed and performed on some of the world's biggest hits to date. Through JD's exceptional talent, he transforms mere notes on a keyboard into a dance that fills your heart and releases your mind. Dean Cortez has worked with Boz Scaggs and has served as the bass guitar player for Hiroshima for the past 20 years. He was contracted with Paramount Pictures for 3 years contributing to motion picture sound cut dones and television themes. Dean's quiet yet focused music brings light and awareness as it washes over you. Mark Hays is a popular LA guitarist who has four solo CDs to his credit. Mark's playing helps to enlighten you and to replace stress and anxiety with joy and serenity. "This CD is as warm and sensitive as my dear friend Jody Cortez. The spoken word by James is deep and upliftitng and the soft is played beautifully." - Brenda Russell, solo artist (award winning world renowned singer/song-writer) "I love this CD babe; it's beautiful, I love it, love it, love it!" - Pat Rizzo, solo artist (former saxophonists of the Frank Sinatra Orchestra Sly and the Family Stone Band) "This music CD is deep and Beautiful!" - Denise Beaumont, artist/photographer Order your copy of A Journey Within today and find a restful place to rejuvenate in an all too hectic world.
