

Mp3 Besonegro - Los Sabios Demonios

[DOWNLOAD HERE](#)

Guitar driven rock with Latino influences throughout 18 MP3 Songs ROCK: Progressive Rock, LATIN: Rock en Espanol Details: Besonegro is a three piece rock band from Peru that had the privilege to perform in Liverpool, England at the annual Mathew Street Festival last year and won over many fans, not only with their music arrangements, but with their personalities as well. They are truly ambassadors for their country. Each musician, local legends in their home country, masters their instrument. Comprised of Ernesto Samame on bass and vocals, Pepe Wherrens on drums and vocals and Lucho Pacheco on guitars and vocal. You can hear jazz influences and of course the mix of Latino rock and blues to create their unique progressive sound.
