Alternative Rock songs sung by one of the most unique voices on the planet....Some have described Steve Davis's voice as imperfectly perfect....Soul searching songs with performances by world class musicians. 12 MP3 Songs ROCK: Modern Rock, ROCK: Classic Rock Details: Blue Sage features acclaimed singer songwriter Steve Davis. An artist that has been writing, recording and performing in the Twin Cities area for more than ten years. Steve brings you great rock songs with lyrics that you can really relate to and that make you think and feel inside, brought forth with great vocals and killer guitar. Steve says this about his music "If you really listen to each song, alot of them you will see a constant search inside the lyrics that pushes me to a spiritual side, which to me is our real self." Review sent from a fan after listening to Blue Sage's Music: This singer sounds like a young Dylan, but with melody. I like it alot. I swear If Bob were born in the 80's he would be doing this stuff. I'm impressed. I want to hear more of what you guys do. East Peoria, Illinois Musicians that record with Steve: Jimi Behringer, world-class guitar player, has recorded with such greats as Bonnie Raitt, Prince, Bobby Caldwell, Laura Branigan, Karen White, Jeff Lorber, Clementine, The Steeles and Kitaro. Gordy Knudtson, first-call session drummer in the Minneapolis area as well as touring and recording drummer with The Steve Miller Band. Bassist Gordy Johnson has performed with blues great Roy Buchanan, Chuck Mangione and Paul Winter Consort. A diverse player, his style can range from rock to blues to jazz. Gordy took the 'Minnesota Music Awards 2004' for best bassist.
