A unique style ... blending the characteristic sound of the Native American flute and the essence of jazz. 12 MP3 Songs JAZZ: Smooth Jazz, WORLD: Native American Details: Bobb Fantauzzo became enchanted with the sounds of the Native American flute while traveling in New Mexico during the summer of 1997. Six months later he was gifted his first flute and discovered that it was taking him on both a musical and personal journey. Influenced by the music/sound of R. Carlos Nakai, Miles Davis and John Coltrane, Bobb found his own unique voice: a blending of the Native American flute and jazz. Bobb's music is infused with both heart and soul ranging from being mellow and poignant to upbeat and bluesy. Explore the wistfulness of haunting solos and the rich texture of tight and powerful trios ... discover an unexpected range of expression for the Native American flute. From the ambience of "Morning Mist" and the serenity of "Smoke of Sage," to the swing of "Dragonfly" and the jazz of "Mary Ann," Sirocco takes you on a journey of mystery, desire, and movement and frees your imagination to soar aloft on winds of passion.
