Bandstand with Chuckii Booker Club Neuveau in Toronto, Canada Keith Brizell Holland's Musical History Keith Holland, a native of Inglewood, California, has played the piano and the drums since he was large enough to reach them. During his seventh grade year, he played the drums in his first band. During his high school years, he played the drums for his high school band. At the age of sixteen, Keith and his friend sarterd a group called Karess. They released their first forty - five L.P. under Maccola Records. Next, Keith got his first big break at a company called Jam Power. Shortly thereafter, he broke out on his own. After four years of producing and writing, he started his own company called Ki Ki Productions. A few years later, Keith started a group called Hot Coals. After two years with Hot Coals, Keith fine tuned his writing and production skills at Jam Power Productions and Foz Studios. Keith learned how to produce, write, compose and engineer his music with the highest of quality. During this pivotal time, Keith composed some seventy - seventy top quality masters. After several years at Foz Sound, Keith branched out once again, by opening Brizell Entertainment; and the beat goes on. Keith Brizell Holland's / Programming / Musicianship and Production Skills Keith Brizell Holland is an experienced programmer and musician. He has acquired over fifth teen years experience in drum programming on the Linn 9000 and three years experience on the MPC 2000. Keith has programmed keyboards for over fifth Teen years. He's worked on virtually every kind of keyboard ever made. During the past six years, Keith has also developed and sharpened his computer programming skills. He also programs music on the Digital Performer, Logic and Protools software. Keith is a seasoned musician with over ten years of musical experience. He plays the following six instruments: drums, piano, guitar, bass, percussion and vocals. In addition, Keith is also an avid and talented dancer. Keith has produced many upcoming artists and he is a master of vocal harmony and arrangement. Brizell Entertainment Keith has a six-hundred plus song catalogue that rivals the best in the business. His music features a fusion of creative styles and distinct flavors of hip-hop, rock soul, and R&B. Keith's innovative flair gives his music a fresh, crisp, and unique sound. Brizell Entertainment
